MK PROTECTION STRATEGIES/SAFE INTERNATIONAL MKE LAUNCHES SAFE BULLYING PREVENTION PROGRAM.

MK Protection Strategies (MKPS)/SAFE International MKE teaches teens and adults how to avoid violence and realistically defend themselves in threatening situations.

Beginning September 11th, MKPS/SAFE International MKE will offer monthly SAFE Bullying Prevention Workshops at their location: N88 W16741 Main. St. in Menomonee Falls, WI. Workshops also available for school assemblies, organizations and private groups.

According to analysis by Wallethub, WI ranks 7th on the list of states with the biggest bullying problems; 4th for students bullied at school.

“We want to have an impact reducing bullying in WI and beyond through invoking change in peer behavior, supporting parents and igniting conversation about realistic response options and potential solutions.”

-Malissa K. Misch, Managing Member, MK Protection Strategies/Director, SAFE International MKE

MK Protection Strategies/SAFE International MKE is proud to also offer violence prevention/realistic self-defense to schools, youth groups, corporate wellness, realtors, healthcare workers, etc. For more information on our course offerings, visit: <http://mkprotectionstrategies.com/events/>
